Becker's Business College,

HORSMAN BLOCK,

BECKER & GIFFEN, Proprietors.

This college, doing business in Rockford for the last twelve years, offers great inducements to those who wish to fit themselves for Business.

We claim the following points in our favor:

We give our students instruction under a thorough practical Bookkeeper, who has had a large experience.

Our terms are very little more than half the usual charge of schools of this grade.

We turn out more good writers than any school in this part of the state.

Our "German" Students learn rapidly.

In our primary and preparatory departments we keep the highest grade teachers that can be obtained.

Send for College Journal.
